- President's report – Adrian

LMS has been busy dealing with issues behind the scenes, noting change in environment. Acknowledges importance of Zoom for not just meetings, but for modelling and socialising within the LMS.

Adrian thanks the 2019/20 committee for hard work this year, especially in adapting to the modern environment (e.g. Zoom, e-banking).

Adrian notes significance of LMS becoming an incorporated entity: legal safety for committee, and recognition of the skill of the committee to meet additional expectations as an incorporated entity.

Adrian believes his work is done, thanked the society, believes LMS has a bright future, and noted skill of people volunteering in the 'modern, sleek, responsive' LMS committee.

Adrian acknowledged founding members Kate and Maria, and significance of Hannah's involvement, as well as that of Sarah, Lu, and Paul.

LMS in good health, ready to go back to business. Adrian passes on eternal gratitude to everybody, in LMS and at the meeting. Looking forward to getting back to work and hopes to get invited to 40th Anniversary event.

- Business/financial report - Fleur

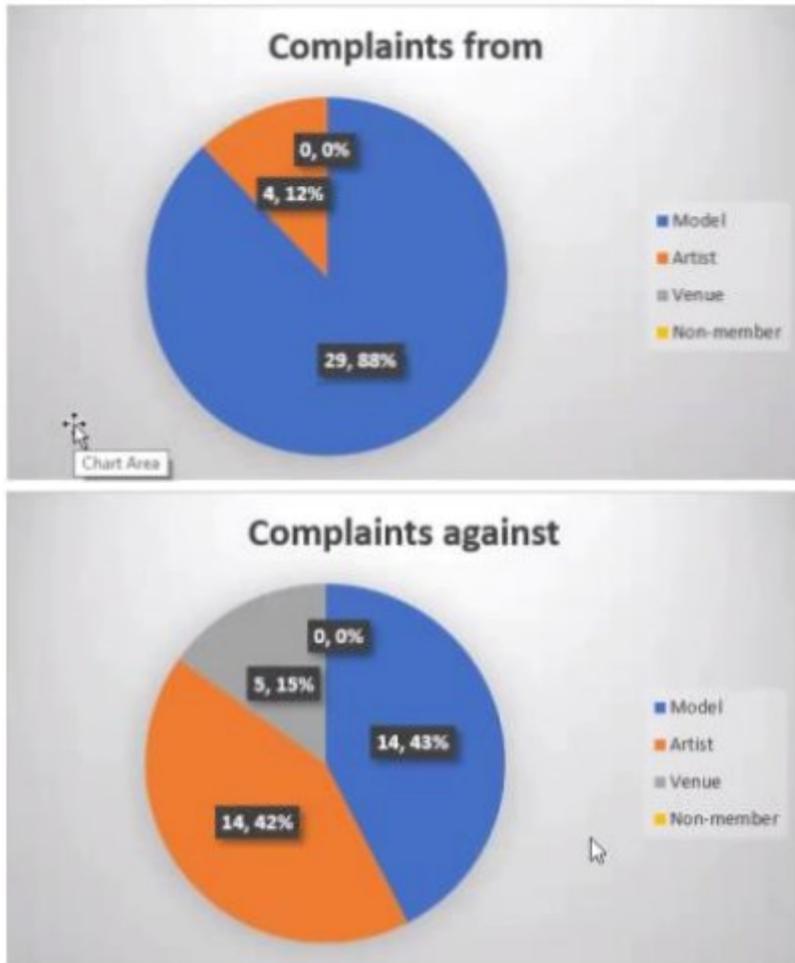

Good net position, strong assets including merchandise, a little down from next year due to expenses including non-profit-making events such as Gasworks exhibition and anniversary events. Will need to look into grants in 2021, as our outgoings (phone, rent, website) still need to be covered.

- Feedback/complaints report – Fleur

The Committee keeps a log of complaints. Total of 35 complaints since 2019/20 AGM. Committee note the privilege to be in a position to act on complaints, including that people feel safe to complain to the LMS.

Good there is a feeling among artists and models alike to be comfortable making complaints to us.
